WINE LIST

BUNDABERRY

GOURMET PIZZA LOUNGE

Programul nostru conține, vinuri atent selecționate, care se potrivesc perfect cu meniurile noastre, care vă amplifică experiența dumneavoastră culinară. Noi știm că, vinul cel mai bun este vinul care vă place dumneavoastră și doriți să îl împărtșiți cu prietenii și persoanele dragi dumneavoastră, dar tot odată știm că dacă vinul este corect asociat cu preparatul, cele două vor fi mult mai gustoase, decât degustate individual. Dedicția echipei Bundaberry este de a vă îndrepta spre o experiență gastronomică prin transpunerea aromelor și a texturilor senzoriale. Am alcătuit lista de vinuri Bundaberry cu un accent special pe vinurile din Transilvania, regiunea care are cea mai mare influență și în oferta noastră gastronomică. În afară de Transilvania, avem o selecție vastă de crame și din celelate regiuni ale României.

În oferta noastră se regăsesc cele mai bune vinuri din Ungaria și Republica Moldova. Lista e completată cu o selecție vastă de vinuri din Lumea Veche, adică Europa, și doar câteva etichete reprezentative din Lumea Nouă. Cu siguranță toată lumea va găsi vinul cel mai potrivit, în funcție de preferințele personale și mâncarea pe care o alege.

Our program contains carefully selected wines, that pair along very well with our menus, as to enhance your overall dining experience. We do acknowledge that the best wine is the one you like, and would like to share with friends and loved ones, however, we do also advocate that if a wine is accurately matched to a dish, well, the two will taste much – much better together than individually, on their own. The team here at Bundaberry commits to bring you a gastronomically sensual, and textural, dining affair.

Just like our menu, Bundaberry's wine program highlights the region of Transylvania and emphasizes its compatibility with local artisanal food products; also in our offer you can find the best wines from Hungary and the Republic of Moldova. Classic Old World grape growing regions of Europe round out our vast selections, and as to give the list a truly international flair, and something for everyone's liking, we've added a few delightful New World findings.

We are confident that the compatibility between our food and wine programs will satisfy your taste buds and seduce your hearts.

Gondosan válogatott borokat kínálunk, méltóakat fogásainkhoz.

Általuk teljesedik majd ki az Ön vacsoraélménye. Úgy tartjuk, hogy az az igazán jó bor, amelyet ön is kedvel, és amelyet szívesen fogyaszt el a barátaival vagy szeretteivel.

Meggyőződésünk, hogy ha egy bort gondosan választunk ki egy fogás mellé, az fokozza az izélményeket. Együttes fogyasztásuk tehát mind az étel, mint az ital szempontjából kiteljesíti az ízvilágot. E gondolat vezérel minket minden egyes fogás megalkotásakor,

és minden egyes bor kiválasztásakor. A Bundaberry csapatának inspirációja az ízek és textúrák érzékeny eszközeivel egy gasztronómiai élmény felé vezetni önt.

A Bundaberry borlapjának összeállításánál különös hangsúlyt kaptak Erdély borvidékei, mivel ez a régió van a legnagyobb hatással gasztronómiai kínálatunkra.

Természetesen Románia más borvidékeiről is bőségesen válogattunk.

Kínálatunkban helyet kaptak Magyarország és a Moldovai Köztársaság legjobb borai. Ugyanakkor fontosnak tartottuk, hogy borlistánkat komoly óvilági (európai) szelekcióval gazdagítsuk, de helyet kapjon jónéhány reprezentatív újvilági bor is. Bízunk abban, hogy minden vendégünk megtalálja az ízlésének megfelelő bort,

amely kiválóan harmonizál

az elfogyasztott ételekkel, így teljes megelégedettséggel távozik éttermünkől.

Kellemes időtöltést!
